Happy New Year! We hope everyone had an amazing holiday season and is ready to kick off 2025.

Thank you to all that attended the Christmas Lunch, it was a great turn out with amazing food and company. Also, a big thank you to all that helped with the giving tree. We had a list of 19 children in Lake Placid that got blessed by some of our Sunshine Residents for Christmas, it made their day a little extra special.

We have returning activities to Sunshine and some new this month as well. Make sure to take a good look at the calendar and activities sheet to stay up to date with all the happenings in the park. The weekly email blasts will highlight the weeks events, if there is something you would like to submit, please email it to Emily by Friday the week before.

A big warm welcome to all the new comers this month, we are so glad to have you here.

Friendly reminder: The speed limit is 10 mph around the park, as we begin to welcome more guests into the park please be aware of your surroundings.
